

Child Safety for all ages, learning boundaries:

Separate courses available with age appropriate content for the following groups:

Preschool

Kindergarten-2nd grades

3rd -5th grade

6th, 7th and 8th grades

College and beyond

*Special sessions available for caregivers of children and adults with special needs as well.

From 6th grade to college and beyond--it's imperative that we teach our children to listen to their 6th sense and add this to their personal safety tool box.

Along with specifics on this, we give reminders of the basics, with a big dose of personal safety techniques along with Internet safety, Cyberbullying awareness and other Internet dangers.

We also offer teen dating and preventing abuse and confidence courses.
